Khubsuret House

Independent Living - a Secure Environment

Khubsuret House (Beautiful House) is situated within the heart of an Asian community, with shops and amenities within walking distance e.g. garment shops, Halal meat shops, take-aways, restaurants, community centres and mosques.

It is a sheltered scheme made up of 33 units, consisting of 1 bed (1 person) and 1 bed (2 person) flats, which are self-contained to allow for independent living.

They include separate bedroom, bathroom, kitchen, lounge and large storage cupboards.

Social Scene

For those tenants who enjoy socialising, the communal lounge is the focal point of many and varied activities. These include coffee mornings, Eid celebrations, religious functions etc.

Benefits of the Scheme

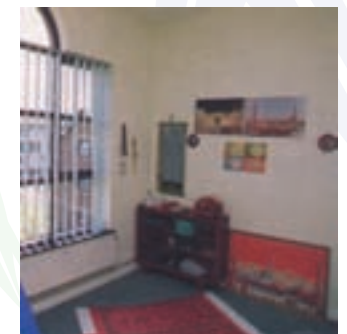

- Bilingual residential scheme manager
- Bilingual central control service (24 hours emergency service)
- Door entry system for security
- Communal prayer room
- Full gas central heating included in rent
- Gas, cooker and fridge provided in each flat
- Guest room for visitors
- Baths with showers
- Communal lounge and kitchen
- Car park with security lighting
- Comprehensive repair system
- Lift

Scheme Manager

A Scheme Manager, while on duty, is available to help meet the welfare needs of the tenants by providing the security, advice and support that is often required in old age, by co-ordinating contact with different support agencies.
